

EHEART INTERIOR SOLUTIONS

# Kitchen & Bath Sales Designer

Fort Collins, CO · Full-Time

What if your next role let you do both — design spaces you're proud of and earn real income for closing them? Eheart Interior Solutions is a boutique design firm in Fort Collins, CO where talented designers own the full client journey: concept, selections, sales, and delivery. We're looking for a Kitchen & Bath Sales Designer who thrives on building trust, crafting stunning spaces, and closing with confidence. If that's you, keep reading.

## WHAT YOU'LL DO

---

- Own the full client experience — from discovery and in-home consultations to design presentations, contract signing, and final project sign-off.
- Conduct in-home and jobsite visits, gather data, and develop detailed design plans in Chief Architect and AutoCAD.
- Curate product selections across cabinetry, countertops, plumbing, flooring, and window coverings.
- Prepare material schedules, pricing, and contracts; collect deposits and manage progress payments.
- Coordinate deliveries and installations, maintaining proactive client communication throughout.
- Contribute to a collaborative showroom environment, assist with scheduling, and participate in ongoing sales training.

## WHAT YOU BRING

---

- 5+ years of kitchen and bath design experience in a retail or showroom setting. A passion for sales.
- Bachelor's degree in Interior Design (or equivalent combination of education and experience).
- Proficiency in Chief Architect, AutoCAD, Adobe Suite, and Microsoft Office; experience with Moraware, 20/20, NetSuite a plus.
- Demonstrated expertise in cabinetry design — from concept through installation.
- Working knowledge of plumbing, countertops, flooring, and window coverings.
- Excellent interpersonal skills with proven ability to navigate complex client relationships with tact and professionalism.
- A self-starter who thrives with ownership — organized, accountable, and energized by managing multiple projects at once. You're motivated by helping people create spaces they love, and by the satisfaction of earning the business.
- Ability to lift up to 25 lbs and work across office, showroom, and active construction environments.

## WHAT WE OFFER

---

- Competitive base salary plus bonus — your earnings grow with your performance.
- A creative, design-forward environment with a supportive, collaborative team.
- Continuing education and professional development opportunities.
- Meaningful client relationships and full creative input on every project.
